Co-Valedictorian Kyle Walter, addresses the class of 1994 and audience at last years graduation.

Last years' Co-Valedictorian, Chuckia Brown, delivers a landmarking speech to the class to inspire and prepare them for a successful life beyond high school.

A GOLDEN MOMENT

In June, 462 graduates marched down the aisle while the band played the traditional "Pomp and Circumstance". Kyle Walters and Chukia Brown lead the class as Co-Valedictorians. The class president, Rich Nowinski, and the salutatorian, Stacie Zambis, also represented the class.

As the freshman class said farewell as the seniors took their first steps towards adulthood. As they entered the Coliseum, their eyes reflected their pride and even occasional tears. When the tassels were turned, the seniors congratulated their friends and themselves on the successful end to another chapter of their lives.

The top four grade point average recipients, Chuckia Brown, Kyle Walters, Stacie Zambas, and Richard Nowinski, stand in recognition of applause for a job well done at graduation.

The gentlemen of last years' graduating class, welcome the coming years by the traditional turning of tassels and vibrant, enthusiastic smiles.

The girls patiently await the presentation of diplomas to mark their first fun-filled step into freedom and the real world!

SHOPPING FOR A JOB

"You could be in computer technology too!"

Students flock to the computer and electronics sation where Mr. Lou Rivera talks about this field of employment. This station was not the only technolgy station, ITT Tecnical Institute and Electrical Engineering were also represented.

One of our own!!

Mrs. Mansfield, a Health and P.E. teacher, converses with Senior, Jeffrey Bell. She is there representing the field of Emergency Medical Technician. Their presentation included a real ambulance outside and some graphic slides of medical emergencies.

"The Career Fair was pretty good. I got to see a lot of my friends and found it pretty interesting. The photos of the emergency accidents were really graphic and made me queezy," stated Melanie McMurray.

Bethel students get chance to look at possible careers at Career Fair

Where can you go where a nail stylist and a postal worker do the same thing?

The Career Fair, of course! The Fair included 26 representatives. There were people there from banking, child care, psychologist, and modeling. Mrs. Mansfield, who works here at Bethel, was representing the E.M.T. field.

The Fair gave students an opportunity to learn more about different areas of employment. Though it would be impossible to represent all, a great variety was covered. Susan Tomes expressed, " It didn't have any science fields, like Marine Biology, but I checked out all the stations..." Another student, Leasa Woods recalled, "Personally I learned a lot about psychology, and engineering, as well as law."

What a Grip!!

Kevin Watterton and Law Enforcement representative, Corporal Lattimore greet each other with a firm handshake. Some teachers gave extra credit for students who got a reps signature.

Women at Work!!

Accounting representative, Diane Smith chats with Ebony Farrish who is very interested in persuing a career in accounting. The Career Fair was held in the cafeteria during students' English class.

Take one of these and call me in the morning!

Jermaine Brown examines a pamphlet given to him as Mr. Stanley Jones gets ready to hand him a flyer. Students were encouraged to get as much information as they could on possible job candidates.

And the crowd goes wild! The participants at the Just Say No rally left 3800 people feeling a natural high. Hearts raced with excitement as participants entertained them.

Celebrate! These balloons symbolized the joy , festivity and unity that was present at this event.

Drug-free is the way to be! Small and tall attended this exciting rally to show their spirit of leading a drug-free life.

Just Say No !Rally

At Ease!
The Machen Elites strut their stuff as they entertained the crowd.

Strike a Pose! Our dance line was one of many entertainers at the rally. Left to right: Krin Wilkie, Jenny Epstein, Charon Vincent, Melanie McMurray, and Jennifer Todd.

Lights,Camera, ACTION! Beverly Penn captures this event on channel 5. This excitement was shown daily.

Trang Nguyen, Deon Garner and our own Felicia Pollard were the "MC's" for the rally. They kept the crowd alive and excited.

Plaque Attack!

Class Clowns

Class clowns are those that always make us laugh and can cheer us up, even during the dullest of moments. Especially in those tiresome classes when the teacher's voice is monotonous and the lecture is boring. Thanks to Cheyla Strickland and Chris Pope our years here have been enlightened with their humor.

Most Attractive

Being attractive is definitely not something that someone has to be born with. Many things can make a person attractive - the way they dress, their disposition, personality, and how outgoing they are. This year's winners had it going on all the way around. Voted most attractive this year were Sim Haley and Natalie Franklin.

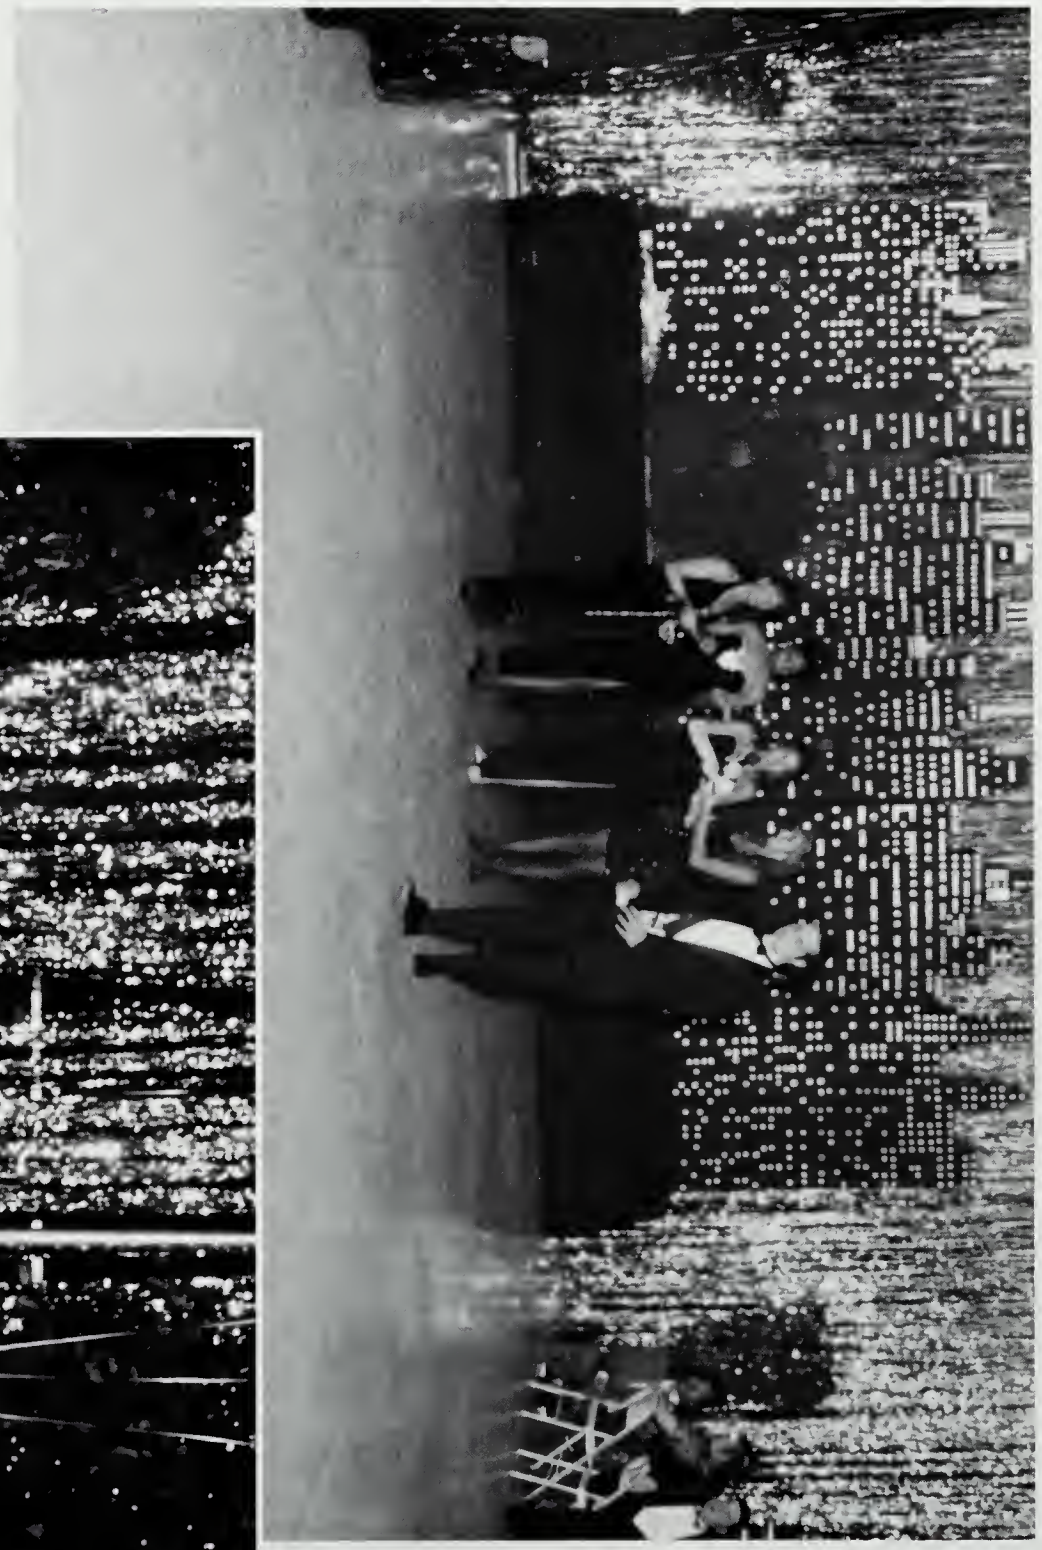
RING DANCE 1995



AN EVENING OF ELEGANCE

Sports

1994-1995 VARSITY CHEERLEADING TEAM
Top Row: Vikki Ashe. Second Row: Karen Jones, Heather Parks, Robin Turner. Third Row: Nora Walker, Robin Conley, Jennifer Hogge. Third Row: Arusi Mooring, Erica Turner, Amanda Parks, Amanda Haynes, Davette Stephens.

GOLDEN CHEERS !

Cheerleaders work just as hard!

Is school spirit, key football games or major sports overlooked? Of course not. So why overlook the hard work, physical and mental strength cheerleaders possess? Physical and mental endurance are major parts; it isn't just looking good in a short skirt. A cheerleader must have trust in other cheerleaders and the ability to express an enthusiastic attitude.

The smiles and work are many times overlooked. Behind the perfect routines, stunts, and cheers are many hours of practice. Cheerleaders sweat it out. They practice and re-practice routines until, finally, perfection.

Safety is the number one concern. The cheerleaders and their coach, Robin Turner, put great emphasis on the safety in stunts. Cheerleaders don't quit after basketball season. In the off season they are hard at work again, finding new cheerleaders, entering in competitions, going to camp and learning new stunts.

The next time sports are acknowledged, don't forget the importance of the cheerleaders. Their smiles, hard work, and endurance should not be overlooked. Cheerleading is a major, full-time sport.

The Varsity Cheerleaders get ready to perform for the Varsity Football team at one of the Pep Rallies.

Cross Country

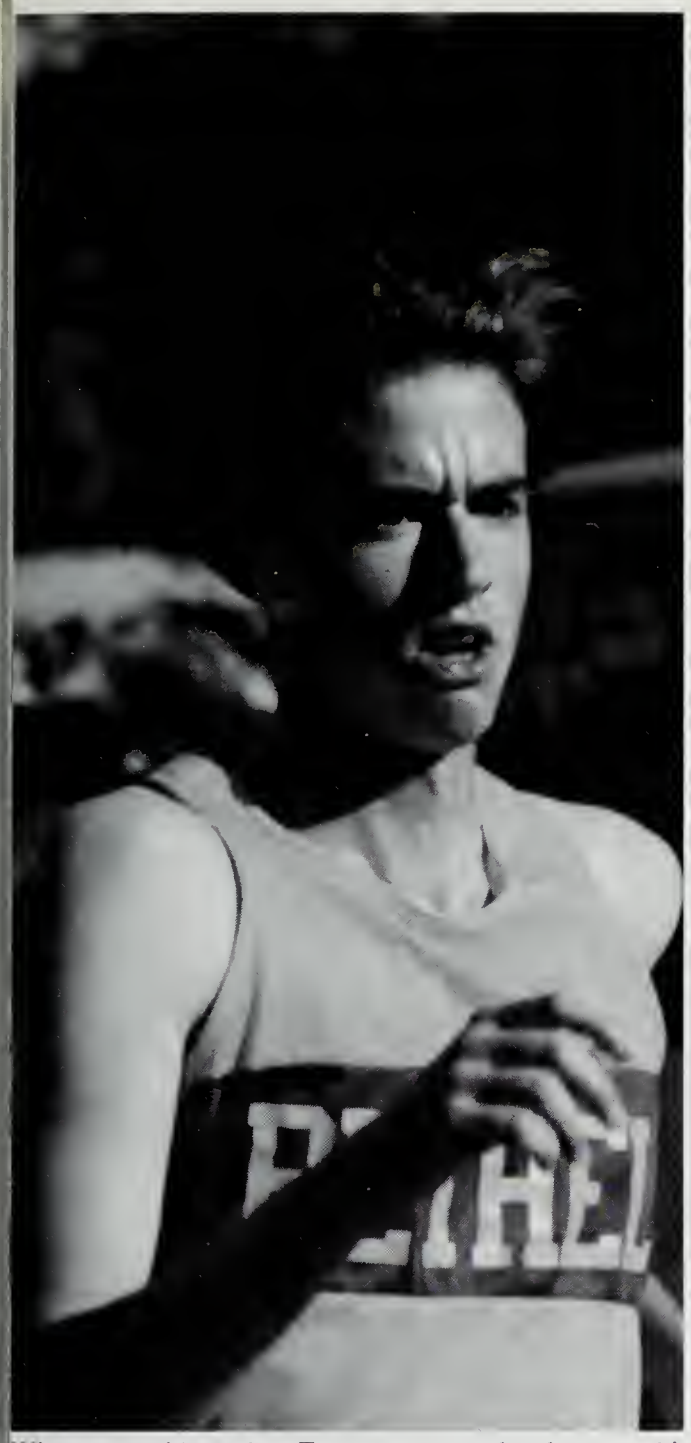
Determined to strive for their best!

The 1994-1995 Cross Country team
Front row(kneeling; l to r): Lori Page, Ebony Farrish, Gina Tracey, Patrice Washington, Seema Shah, Crystal Walker, Coach Pollard, Row 2: manager: Jessica Bailey, Coach Hartung, Bobby Dame, Robert Little, Jason Sigler, J.R. Benton, Ryan Boone, Troy Dyke, Ahmond Hill, Melvin Aulston, Dwayne McKoy, Jerry Ruple, Lindsey Dame, Frederick Boyd, Manager Jessica Dupuy.

This years 1994-95 cross country team has worked hard to do their best. This year, the team strived to do their best in every race. The team put forth a lot of effort and worked together.

While working hard before school started, the cross country team, which consisted of 19 runners, tried their best to be menatlly focused and get into shape. Also, in addition to a lot of new runners on the team, their were two new coaches. Coach Hartung and Coach Pollard emphasized to the team to work together to succeed.

The team practiced everyday from 3:00-4:30 P.M. They would usually warm-up, stretch, and then practice. Everyone understood that they had to work together in order to succeed. Also, they had to maintain their grades. This was very important and emphasized to the team.



With the humid weather, Troy concentrated and pumeds his arms to complete this race. Troy worked hard this season since it was his last year.

On your mark, get set, go!!!

Dwayne McKoy, Fredrick Boyd, and J.R. Berdon concentrated on their form and tried to run the race.

Focusing on how to run her best, Junior Tiffany Barrett looked ahead at the race she was to run. This was her first year running cross country.

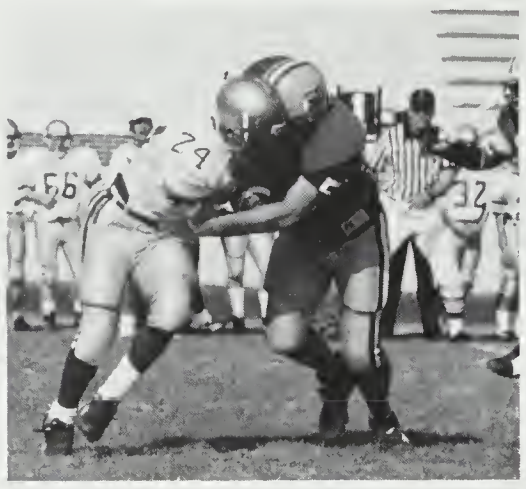
Sophomore Jason Sigler focused on making it to the finish line. This was the Christopher Newport Invitational Meet where everyone tried to do their best.

After running a long 3.1 mile race, Junior Ebony Farrish sat down on the bench to catch her breath.

MEMORABLE MOMENTS

Senior widereciever , Sim Hailey , stiff arms a Ram defender for more yards.

Line Backer, Jason Temple , stops a Lafayettte back in his tracks.



Captain Sim Hailey dives across the goal line. Despite the Lafayette defender.

Junior , Chris Morrant , slips yet another tackle.

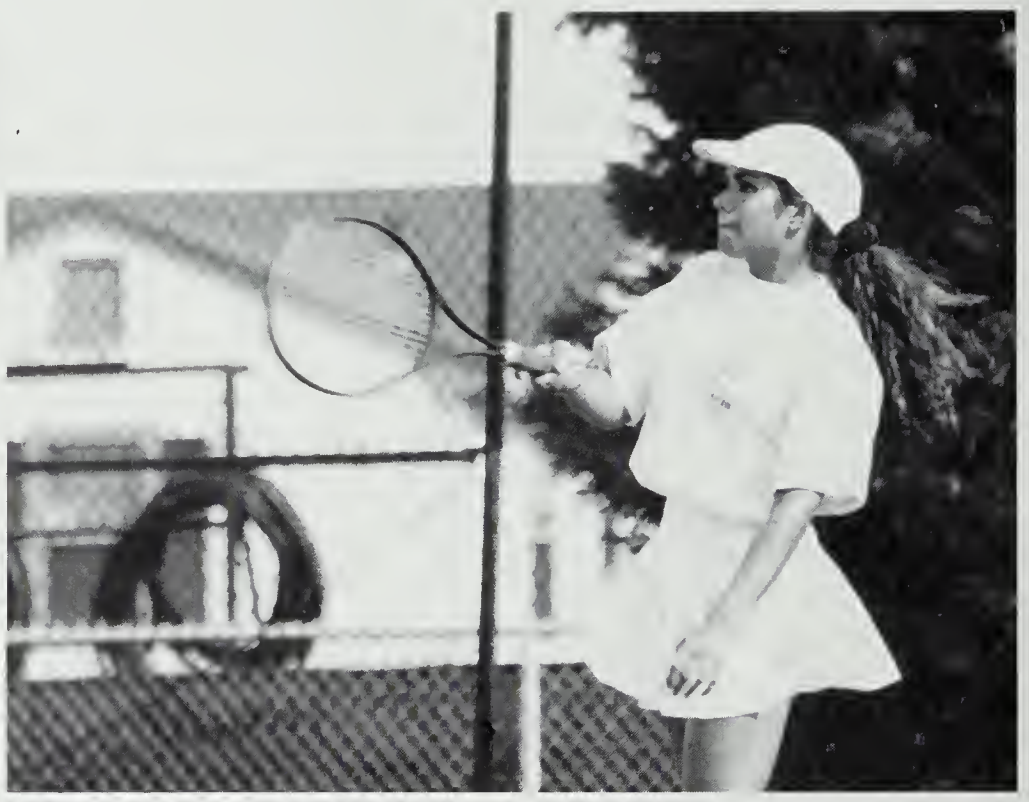
Golden Swings!

The 1994-95 Girls Tennis Team

Tamara Pool anticipateed the move of her opponent and decided what return action she should do.

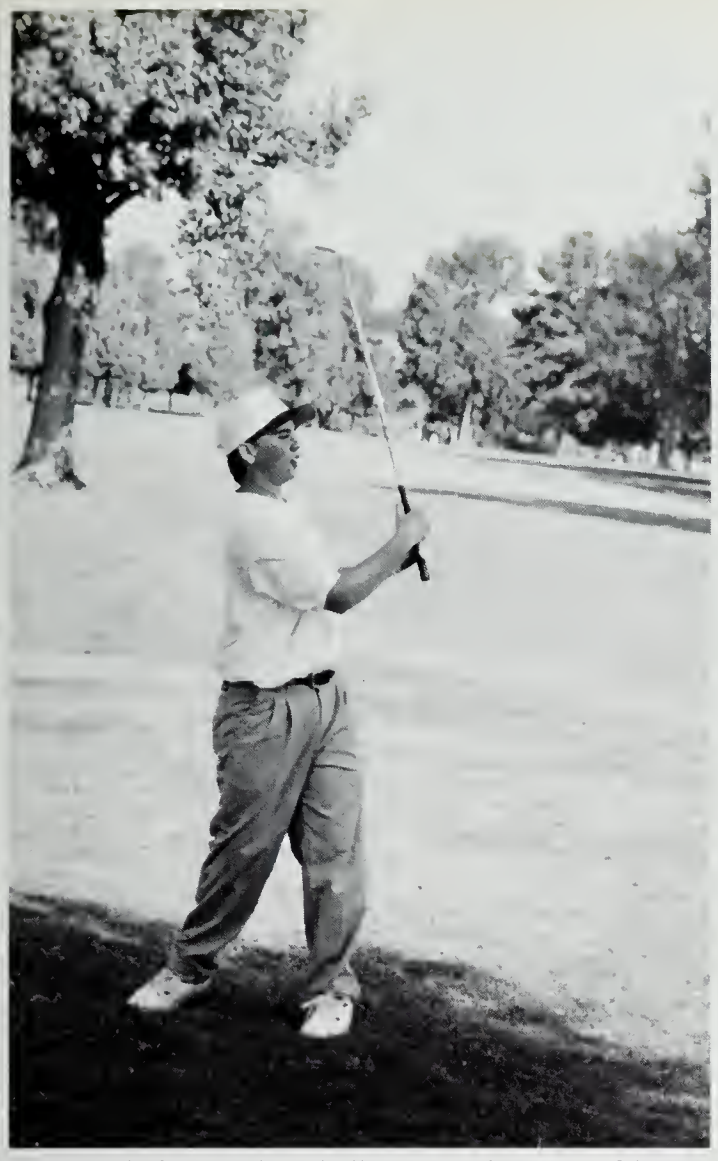


Marina Zambas returned the volley to her opponent in a quick and swift movement.

After Angie Waters returned the serve, she looked to see where the ball landed and if her opponent returned the serve.

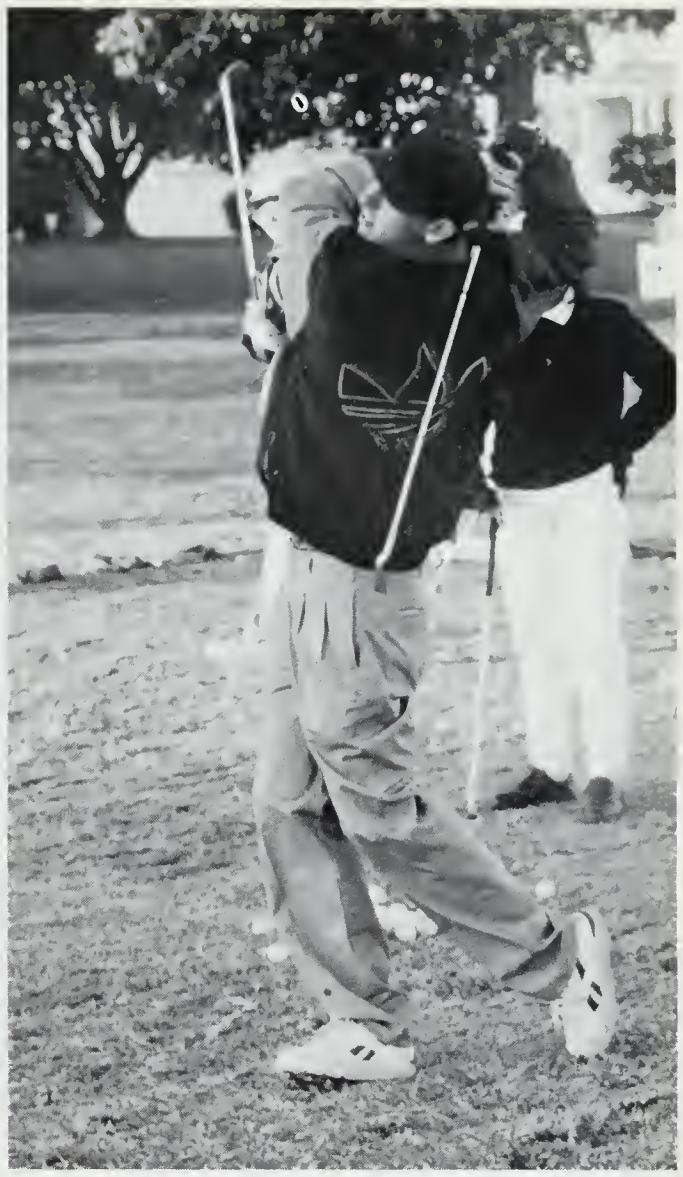
Devin Pugh lunged for the ball in order to make the point.

Now look here: Coach Ray Smith talked to some of the girls on the team before they played a match.



Brian Cade followed the ball, hoping that he could remain under par.

Coach Rickman checked out the greens before he left on his cart.

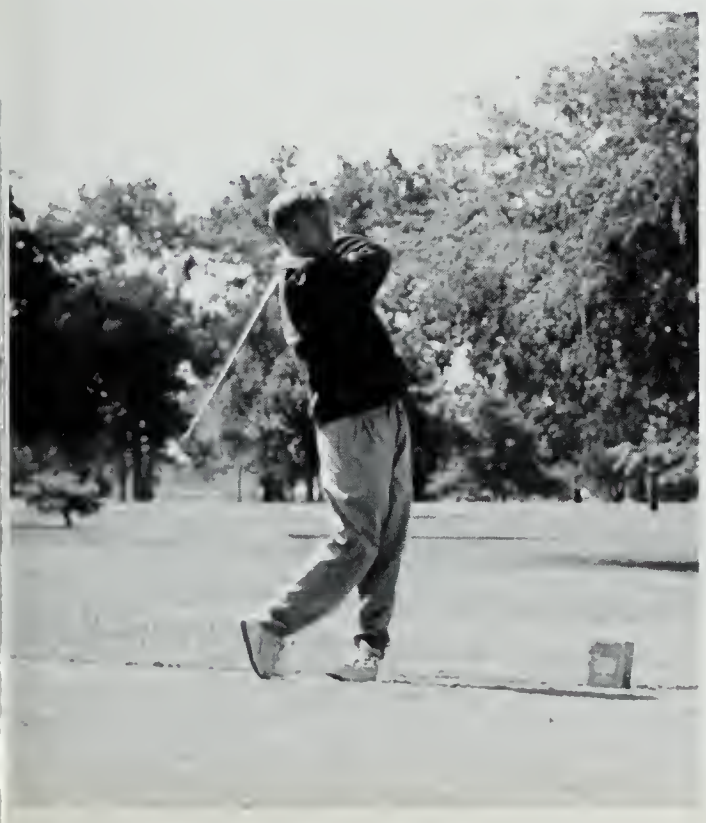


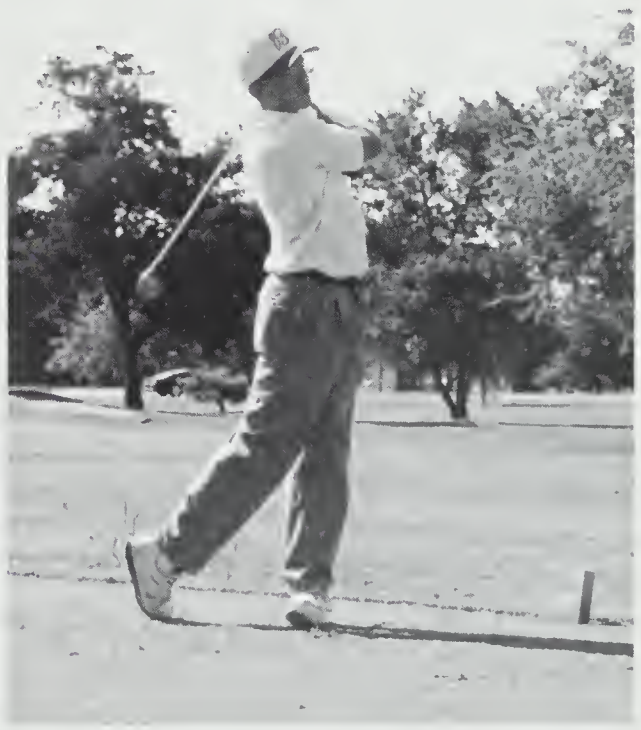
T.R. Plank followed through on his swing during practice.

Golden Par and Stroke!

Sportsmanship unites the 1994-95 Golf Team!

The 1994-95 Golf Teamwas composed of twelve members. They beat fifty-percent of the district teams including Hampton, Kecoughtan, Phoebus, and Warwick. Under the guidance of Coach Ray Ellenson and assistant coach Rickman, two VSGA Golf Scholarships totaling $64, 000 were awarded. Some important qualities of the golf team included showing sportsmanship, academic achievment and knowledge of the rules of golf. They showed pride in their accomplishment s and in the school. Continual practice and constructive suggestions for improvement of the golf game helped the players prepare for each tournament. In order to stay on the golf team each member had to pass a mimimum of five subjects as required under VHSL regulations.





One of the golfers took a swing and kept his eyes closely on the ball.

Coach Rickman and Nick Hobbs conversed before Nick moved on to the next round.

Nick Hobbs worked on his swing to see how far the ball would fly.

A NEW EXPERIENCE

Breezing Through To Next Year

The Varsity Basketball team had a rough season but still hung in there and did not quit. (Their record was 2-16.) When asked about awards won by team players, Coach Brehon replied, "Corey Barnes won All-Peninsula District Academic Team and Michael Foster won Honorable Mention for the All-Peninsula District."

The coach commented that, although there were no outstanding highlights this year, several underclassmen got a lot of playing time which should help them out next season. The coach further stated that an area of strength for the team was that they were "very quick, good athletes, but we laced overall experience".

Coach Brehon did not compare his team's skills with the other sports. "We don't measure our success in relationship to how other sports do. Our goal was to first win the Peninsula District Title and we had other goals that were team related."

For any students who aspired to being basketball players, Coach Brehon had certain qualities he looked for in a student - not to mention certain expectations and skills. A student who was affilicated with the basketball team was "A good person who had good work ethic, was honest, and extremely competitive in life." Students were expected to be leaders in the classroom as well as on the court.

GOLDEN BASKETS

GIRLS OF 94-95 VARISTY BASKETBALL TEAM

The 94-95 season for the Girls Varsity Basketball team was challenging. Just when you would think it was over, they would come back and surprise the spectators, not to mention the other team, with a win.

Our girls had a real up and down season. They had their fair share of wins, but they also suffered with defeats. Even with the loses, they came back strong in ever game. They did not let the fact that they did not win one get in the way of their play in the next match-up.

And match ups they were. Schools such as Ferguson, Kecoughtan, and Lafayette had a hard time keeping these girls down. Each game presented fans more great rebounding and bankshots. Not to mention, great team spirit!

This season may not have been the best for them, but the time and effort put in by all the players and the coaches showed. They succeeded in keeping a positive attitude and always remained determined to outshine their opponents.

BRUSIN' BRUINS

Working to Succeed

This year's indoor track team has had a good year. They have all put together their best effort to have a good season.

This team, consisting of 12 runners and managers worked very hard this indoor season. Practice for the team started at 3:15 p.m. afterschool and ended at 5:00p.m. First, the team would jog two laps, stretch, and do running drills. "Practice enables you to run better. It also strengthens and corrects your techniques and form. It may be tiring at times, but it's worth what it can accomplish," quoted Senior Captain, Crystal Walker.

While on the team, Coach Eddie Williams emphasizes for them to do their best in track as well as in school. The team must maintain their grades and also attend study hall after school in the library. "Maintaining your grades are important first of all, because you must maintain a 2.0 GPA in any school related sport and it is a plus on your transcript when colleges see that you've participated in a sport and maintained your grades at the same time," quoted Junior Captain, Tiffany Barrett.

The Girls Indoor Track Team has worked hard this year to succeed in both track and getting their education.

GOLDEN PINS!

The 1994-1995 wrestling team pin their way to state!

Pin Him! That is just one of the sounds that you will hear at attend a wrestling meet. The wrestling team works hardto achieve a strong and winning team. Wrestling is more or less, one of the most challenging sport. Wrestling is a sport of mental and physical ability. Wrestlers must have great physical strength. When he is matchedagainst someone of his own weight it is a match of strength that decides who will have the upper hand. The wrestler must be, through out the season, inthe best physical condition. Mental ability plays a big role in this sport of wrestling. If a wrestler can not mentally establish confidence, trouble will occur. Wrestlers are tought to keep thinking at all times. To keep confidence, the determination will play a large part in the out come. It is easy to give up, that is why determination and hard competitive practices are important. To meet the opponent, a wrestler must learn in matches, team-mate matches, and practices. Like Coach Kempf said, "Winning isn't everything as long as you wrestle well."

From now on when you think of wrestling, naturally our wrestling team, don't be decieved, it's not all "pins and fun."

GIVE UP YET? Wes Ross works his style on a Gloucester wrestler. Wes and his teammates put on a great match - demonstrating the art of the perfect pin.

Bobby Shultz and his teammates look on as one of their own goes into "battle" with the enemy!

" NO PLAYER IS A TEAM CAPTAIN," STATES VARSITY COACH ROGER BOUCHARD.

SHINING THROUGH

Our GoldenBoys show their true colors!!

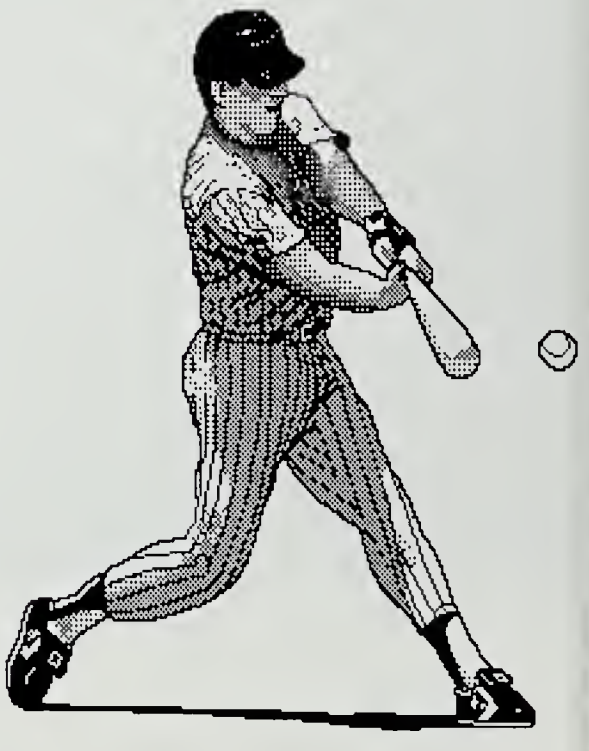
The Varsity Baseball Leather and Lumber Company has been in existance since 1968, and then it has gone through many changes. Over Seventeen players have been in service during the season, and what superpowers they are. Names such as Hobeck, Hall, Harney, Burns, and Ochenfeld are on the lips of many Bruin students and fans. Among them Chris Ochenfeld the pitcher and star hitter for the team, who could very well carry them to a district championship.

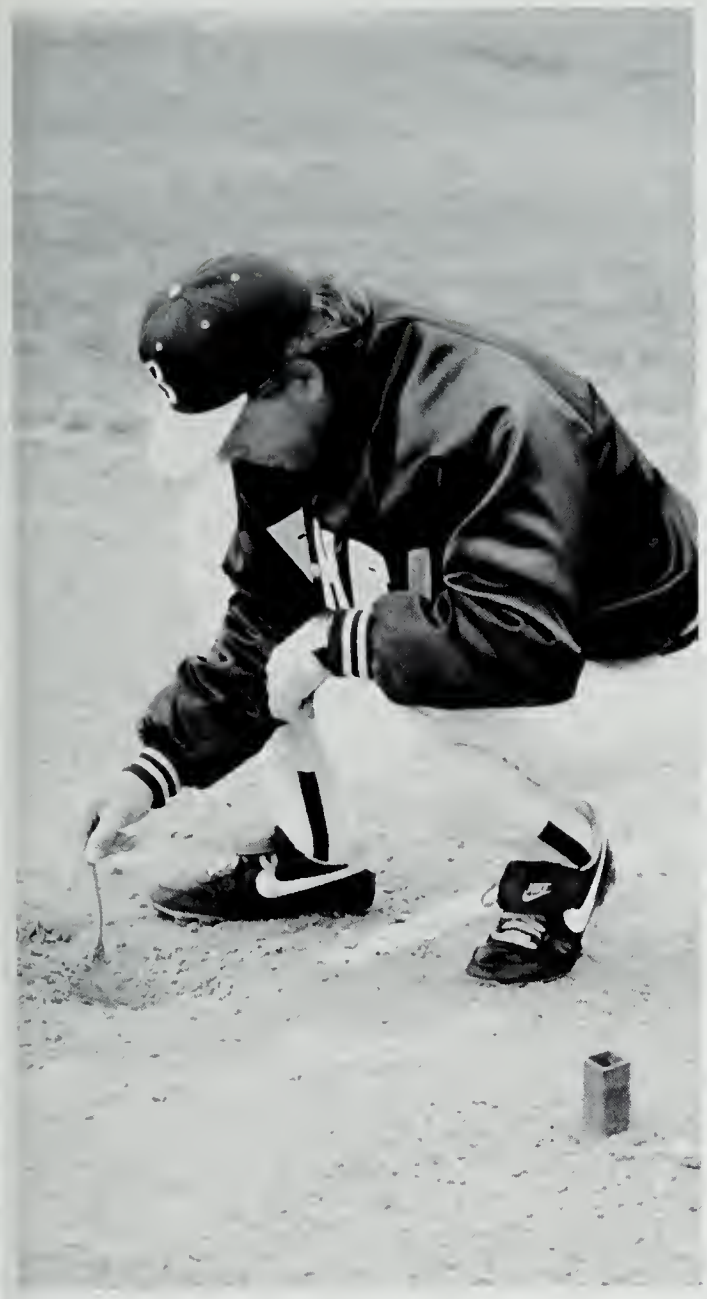
Practice starts after school and last until about 6pm. Students are trained in speed, timing and preparation.

All students have to maintain a 2.0 GPA and be enrolled in five classes or more to meet the Virginia High School League requirements.

Out of fourteen games, our guys had twelve victories. With two more wins they could very well could have won the district championship.

Finally, its notl eather or wood that determines a winner, it's every player whose talent shine through for the team, which intern molds a winning season!!





HOWS THE DIRT...
VARSITY COACH ROGER BOUCHARD USES AN OLD BASEBALL METHOD TO DETERMINE HOW WELL THE DIRT IS TO PLAY ON.

LONE CATCHER!!
Junior Paul Hall uses his abilities as a shortstop to stop the offensive team from advancing during one of the many varsity games.

HITTING FOR THE GOLD!!
Senior Andy McKendree uses his powerful arm to lead the varsity team to another victory.

CATCHER WITH THE FLY!
Chris Bolen and Jill Harper were quick to react when that ball was fired towards them!

Striking Gold !

Beating Teams With A Baseball Bat!!!

The softball team was on a winning streak going 11-1. The talent on the team came together as a family and united its strength to lead them to such a victory.

Sophomore, JoAnne Andrews, has become the district's number one pitcher. With her rifle arm, she can fire the ball in for a strike. She was a natural in that, she and the rest of the team stayed calm under pressure.

The only loss the team had was to Kecoughtan. The score was 3-2. Their coach, Larry Estep, has worked continuously to allow their talent to shine through as they play the game of softball.

During the season was not the only time a player can get involved. On the offseason, they must continue their weight training and conditioning. Softball is a year-round workout as well as other sports.

SHOT ON GOLD!!!

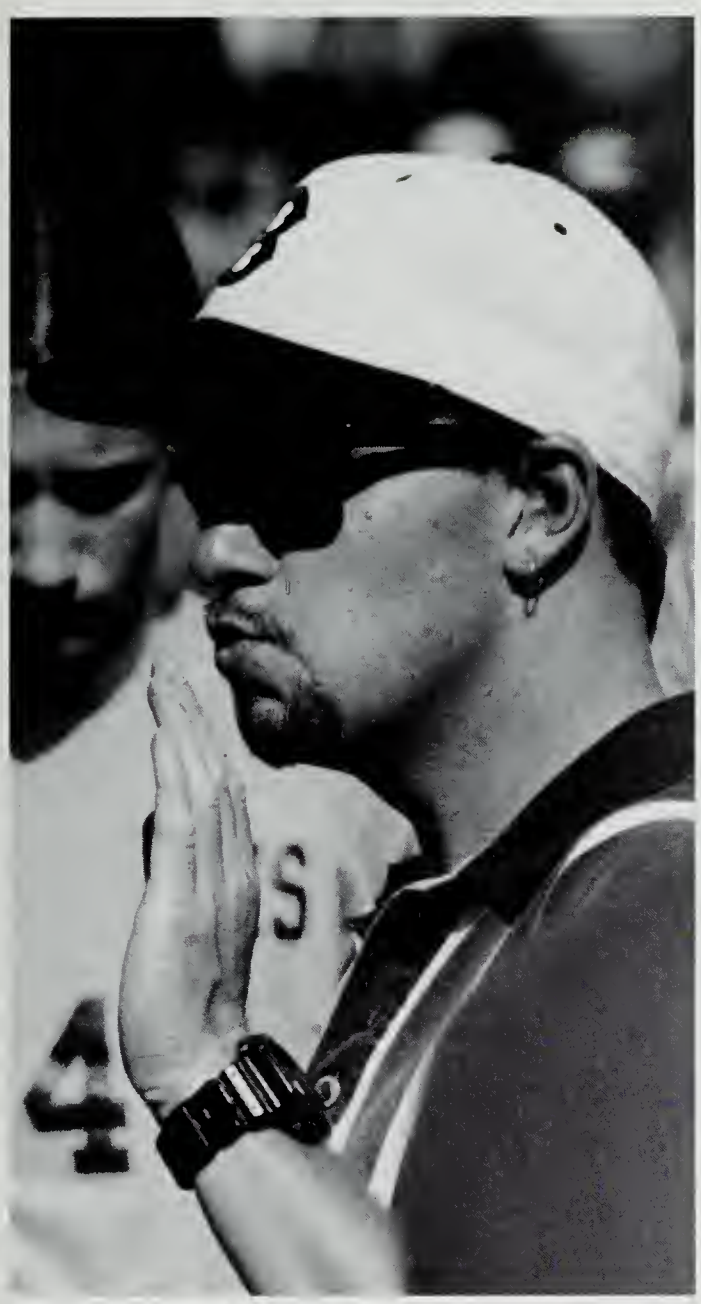
The Strategies.....Kicks, Blocks, and Assists

This year, the Varsity Soccer team plans to work together to fulfill their goals. Junior Kamal Flucker quoted, "While on this team, the players should learn about responsibility, privileges to being on this team, and knowing the knowledge of the game."

The team consists of seventeen players, who practiced five days a week from 3:00-6:00p.m. Their practices usually started out by warm ups followed by running, stretching, and doing some drills. "We usually work on offense/defense and a system to use on an upcoming game," quoted Senior Casey Gwinn. The three captains, Juniors Brance Morefield and Kamal Flucker and Senior Casey Gwinn, tried to work hard to influence their other teammates to do their best. Most of their games were afterschool like other spring sports.

"When I'm preparing for an upcoming game, sometimes I try to go to watch the team we're going to play and psych myself up for the game to be ready for anything," said Junior Brance Morefield. The players relaxed and concentrated on what they had to do to win the game.

The main goal of the team was to work together to try to win the district tournament. This team practiced hard every day to fulfill their goals. A minimum GPA of 2.0 is required. With support, concentration, and team work, they can accomplish ANYTHING!



"YOU HAVE TO STAY FOCUSED,"
Coach Will Sulivan gives Junior Brance Morefield, right midfielder, and other teammates strategies to use during the game. Brance Morefield has been on the team for two consecutive years!

"LOOK OUT FOR THE BALL!"
Junior Kamal Flucker hits the ball in the air while Sophomore Bradley Price looks for the right time to go for it! Kamal plays center midfield while Bradley plays right midfield.

HEADLINERS!!

Striving for the BEST

The 1994-95 Boys Varsity Outdoor Track Team had a good season! They worked very hard this year to strive to do their best in all their events.

With 20 runners on the team and the managers, they all worked very well together. Practice started at 3:00 p.m. after school five days a week and ended at 4:30 p.m. They started the day with two warm-up laps, stretched, drills, and mentally focused on what they needed to do to have a successful practice. "Giving team members advice and helping them with their technique is important," stated Senior Captain, Anthony Pinkston.

The team had a good year and will be losing seven seniors who ran their best. Senior Distance Captain, Dwayne McKoy said, "As long as the upcoming runners have basic knowledge of distance, predecessors and accomlishments they've made, they will strive for their goals."

While on the team, like other sports, they had to maintain a 2.0 GPA while running. If you have these qualificatons, come out and run with the team.

"FOCUSED CLOSELY ON THE RACE," SENIOR DWAYNE MCKOY GETS OFF TO A GOOD START IN HIS 1600 METER RUN. DWAYNE HAS ALSO PARTICIPATED IN CROSS COUNTRY AND OUTDOOR TRACK RUNNING TO THE BEST OF HIS ABILITY.

"ALMOST THERE!" JERRY RUPLE WARMS UP FOR HIS EVENTS. HE RUNS ON THE BOYS DISTANCE TEAM RUNNING EVENTS SUCH AS THE 1000 METER RUN AND THE 2-MILE RUN.

"ON YOUR MARK , GET SET, ... GO!" RUNNING THE FIRST LEG ON HIS RELAY TEAM, SENIOR MATT ETWARDO GETS OFF TO A GOOD START. HE HAS BEEN ON THE INDOOR/OUTDOOR TEAM FOR 4 YEARS RUNNING.

Members of the 1994 Varsity Girls outdoor track team are as follows:

Tiffany Barrett, Charmaine Howze, Leslie Satchell, Crystal Walker, Candice Folds, Nikkia MCallister, Chanel Howze, Ebony Farrish, Theresa Obregon, Tamika Guild, Natasha MCcain, Patrice Washington, Gina Tracey, Tamara Baker, Lovelle Fajta

RUNNING TO WIN

Winning for the Green and the Gold!!!

Bethel's Girl's Varsity Track team has worked very hard in becoming a successful winning team. Ten events are ran per track meet. The hundred meter dash, two hundred meter dash, intermediate hurdles, and the mile are just a few of the obstacles that the girls track team members have achieved with the help of their coach, Mrs. Pat Covas.

The fifteen girls practiced five days a week from 3:00 to 5:00 p.m. All of the team members worked hard and many are famous for different events. Tiffany Barrett is famous for her eight hundred meter run, Charmaine Howze and Ebony Farrish are famous for their intermediate hurdles.

Track was a sport that allowed the members to present their individual performances. Leslie Satchelll was on the indoor/outdoor track team for four years. Her career consisted of four, back to back state championships and one national title.

She has been captain for the last two years and credits her success at Bethel for allowing her to accept a full athlectic scholarship to the University of Virginia. Leslie explained that she liked track because "It is a mixture between a team sport and an individual sport."

"My individual performances will combine with the efforts of others to create a team performance. Track and field is really an interesting and exciting sport. If people would just give it a chance, they just might like it."

GET READY, GET SET, AND GO!! Lesile Satchell, a Senior team, is just starting off from the starting block. Leslie seems like she's ready to burn rubber.

CAN'T STOP NOW!! Theresa Obregon is running for the win. She's feeling hot and tired, but she can't stop now- she's almost at the finish line. Hang on Theresa you're almost there.

Jump Jump!!!
Charmaine Howze is jumping over hurdles and looks determined to get over that difficult obstacle. She's ready to win for the gold! She's on her her way to the finish line.

Top that! Senior Andy Henderson perfects his swings at an after school practice. Henderson is preparing for an upcoming match taking place the following day. Remember practice makes perfect.

A Golden Serving!

The Boy's Tennis Team

After a five-and-a-half hour match with Gloucester H.S., the Boy's Tennis Team finally got to go home, but only after making a clean sweep of the match. The meet had to be moved to Huntington Park where lights were used to finish the matches.

The team practiced hard, perfecting their backswing, and planning strategies. They were all dedicated players, full of ambition and striving to be the best. If they lost a match, they didn't let it effect their next one. They only looked back on them to see how they could improve.

Members of this 11 man team not only played in singles events, but also in doubles. This allowed just about every player a chance to played in at least one match while others may have played more than once. When and how often one played depended on what number seeded player one was.

The players had to maintain at least a 2.0 GPA and be willing to stay for practices to be a part of this team. They had to also be willing to stay at the matches the whole time.

Golden Screams!

JV Cheerleaders prepare for Varsity

Let's go Bruins! Green and gold! These are just a couple of the sayings JV cheerleaders do not forget. JV cheerleaders work hard to be just as good as the Varsity squad.

JV cheerleaders enter their season not very experienced at the cheering style. They work throughout the year to make their knowledge and ability stronger. They try to learn the harder stunts or routines to prepare themselves for Varsity.

As the season progresses, JV cheerleaders begin to perform as if they are Varsity already. They are challenged by their first year coach, Kim Hester, to keep up the hard work and determination for future accomplishments.

Although JV Cheerleaders are not the best yet, it does not keep them from trying. They practice just as hard and never give up. They have confidence that they are the best already.

The 1994-1995 Junior Varsity Football.

Golden Rushing

The 1994-95 JV Football Team

Often the success of our junior varsity teams are overlooked for all the dirt and dust they accumulate in the trail of our varsity teams' performances. However, it shouldn't be forgotten that the players of our JV team are the future of our varsity sports. The Junior Varsity football team has proven it wants to be the up and coming stars of our future.

The JV team have survived the rough football routine with a record of 7-3. As the season progresses, and the school year begins, the players were faced with a new challenge- academics.

Balancing the equation for good academics, a 2.0-GPA, and a commendable athletic performance, while making time to work outside jobs, and catching a few Z's here and there can be rough on an athelete. Yet the Junior Varsity team worked it out and came up with the right answer.

So, with such an interesting season for our junior varsity football team, the future of our football team is looking good.

The referees talk to some of the Junior Varsity football team before they start on another play.

Golden Rebounds!

The 1994-95 Girls J.V. Basketball Team!

As the ball gets passed in, the ball handler dribbles around until the the time runs out and the game ends. This closes out another win for the Girls Junior Varsity Basketball team. Those that play for the basketball team have been able to play under pressure and be a team player. People who can do these things and make the cuts at tryouts will then make the team. From then on players have to build up their strength and endurance. This has to be done because of the constant running up and down the basketball court. The 1994-95 J.V. basketball team finished off the season with a respectable record.

As this year ended, the team had a sucessful season. So root for the future varsity players and hope they do just as well.

While trying to control the ball, Justin Forbes, midfielder, looks for a teammmate, to help him out. Their last game was against Kecoughtan.

A Glimmering Dream!

Working Together To Go For The Gold!!!!!!

"This year, the JV Soccer team worked together to get experience, have further knowledge of the game, and work together as a team," said Captain James Davis. With fifteen players this year, they had to unite to accomplish their goals. They practiced five days a week from 3:30-6:00 p.m. Patrick Nugent, Captain, quoted, "We usually stretch out, run 2 grubby laps, play keep-a-way, do 1-and-2 touch drills, and practice game situations." That was quite a practice! Sometimes Captain James Davis would stay after practice to help a teammate if they needed extra help.

This year, for the JV Soccer team, was a building year. This was the first year for a lot of new people to basically learn new skills. "From being on the team, players should learn about dedication, perserverance, get into shape, and have fun," says Coach Murphy.

While on the team, like any other sport, grades were to be maintained. If the JV Soccer team worked together, they can accomplish their goal of trying to do their best at every game.

"Get ready, here it comes!" Justin Forbes and Adrian Hunter, sophomore and an eighth grader, (both playing forward) try to get the ball when it cames their way! It was a hot day when they played.

What a save! James Davis, goalie, hit the ball good at the last game. This was his third year on the team and he's made over 100 saves!

lst row: Rich Parron, James Nelson, Okie Khamvongsa, Jeff Davis, Patrick Nugent, Mike Nowinski, Holly Foster. **2nd row**: Coach Kevin Murphy, Jamie Sargent, Raymond Robinson, Adrian Hunter, Justin Forbes, Melissa Kennedy, Charlie Wiggins, Megan Yevak, Katie Newberg, A. Coach Iohansen.

Trying to trap the ball, MelissaKennedy.played her best as halfback. Thiswas her first year on the team.

SUPERPOWERS!!
Junior Jason Temple puts his best arm forward as Junior Ed Pearson prepare to strike out the opposing team out with a mighty catch!!

J.V. Baseball strikes Gold!!

Springtime always brings new beginnings, and the wonderful world of baseball. Over fifteen students ranging from ages fourteen to sixteen years of age played junior varsity baseball. Students were taught basic skills such as time, speed, and the attitude of good sportsmanship.

"Students benefit as players through hard work and dedication,"stated Coach Ray Burton. Students were encouraged to support their school through the showing of school spirit and fundraisers. Players were encouraged to focus on academics as well as athletics. Scolarships were offered to students based on quality ofparticipation and amount of time spent on the team.

Keeping with their four out of six winning streak, the players had many things to focus on such as; batting, pitching, and base drills. These were top priorities for all players.

If you can take whatever life may hand you, and take from it fashion something good.
If you know others may not understand you but you keep you keep on doing what you should...
If you can watch a friend go off without you and know that you can take such things in stride,
If you are kind and just to all about you and let the Golden Rule become your guide...
If you are wronged and can still be forgiving, believing it is better to forget,
If you think there is too much joy in living to waste your time on anger and regret...
If you can accept a failure and not mind it but stop to learn the lesson it can teach,
If you resist temptation when you find it remembering the goal you want to reach...
If you can hold your own when you're not winning and know you can't achieve the things you plan,
If you proudly make a new begining and never lose your FAITH in GOD and man,
You'll find success is waiting if you're willing, that happiness is there for all who try-
Your life will be rewarding and fulfilling, and nothing good will ever pass you by!
You've made it this far!!!!
God bless you in your future!

Love,
Mom,Dad,Grandma,and Kelly

Kristie, no matter how old you grow,
you'll always be our little girl.
Though we are pleased with woman you
have become, we'll always be here for
you...

You have always strived to do
your best and we are very
proud of you.
Stick to your principles and
stand strong on your values.
We wish you a successful and
happy life.

May God bless your life as richly as
you have ours.

TO OUR DARLING FIRST-BORN SON

RYAN CAMPBELL:

As you depart from high school and enter college
You begin a much different lifestyle.
You will be independent; making decisions on your own.
You are becoming an adult.
So remember:
"Opportunities are never lost. The other fellow takes those you miss!"

Turn around and you're three
Turn around and you're grown
Turn around and you're a graduate
Going out on your own!

We love you and are so very proud of you!

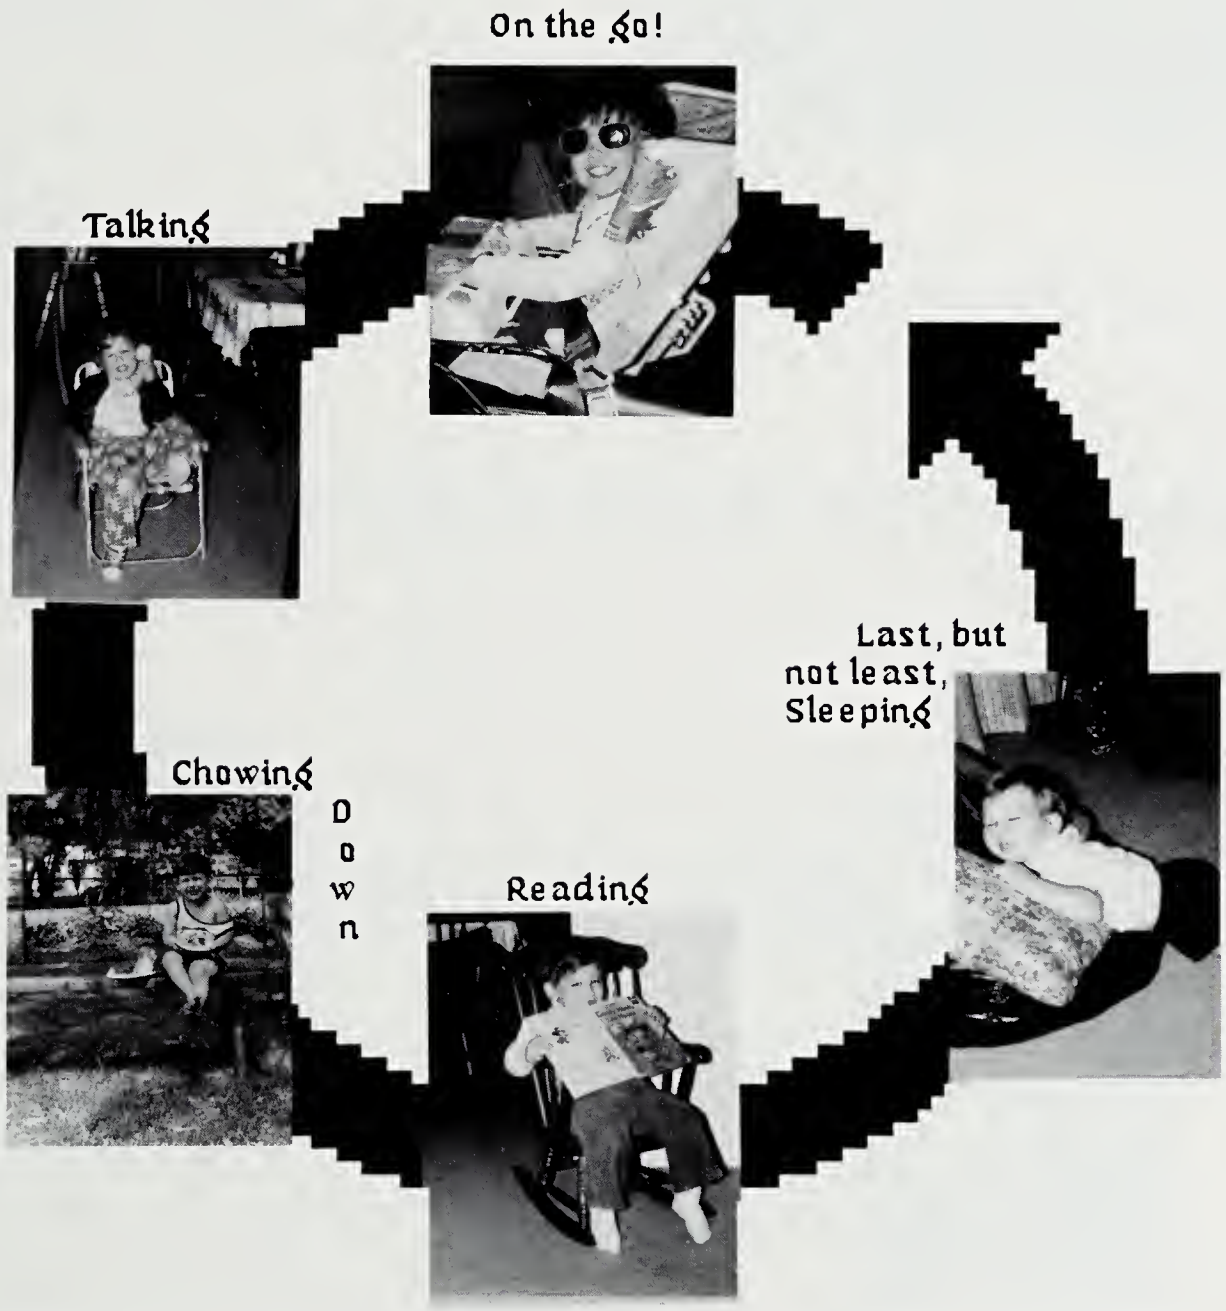
We are proud of you. May all your
dreams come true.

Love Always,
Mom, Dad,
Charles, & Kimberly

Congratulations Kevin,

You have strived and achieved your goals for the past 12 years.

Here are some of our fondest memories:



Take the future as a brand new challenge and never give up trying. Still remember sometimes dreams come true. Always be true to yourself and trust your judgement and maturity. We are PROUD of you and will always be there for you. We love you very much.

Dad, Mom, Keith and James, Grandparents, Trivellin, & Watterton.

Congratulations
Kathrine...

There was no doubt in my mind that you would make it this far. I know you will keep succeeding in life, I hope I will be there with you to see all your dreams come true. But, no matter what the future brings, I wish you best and you will always be in my heart. I love you baby, Always and forever.

Love Always,
Lance

April,

You have come a long way. Keep going and reach for your dreams.

Love,
Dad, Mom, Lisa
Precious, Rocky

Congratulations!

Rashad

We nurtured you during infancy, preparing you for your first day of school. Now that you are graduating, we want to let you know how proud we are.

Love:
Dad, Mom, and
Alexis

Congratulations
Karen Jones

Time passes so quickly, but the wonderful memories will remain forever.

You have become a beautiful and mature young woman. We are so VERY PROUD of you.

May your future be filled with joy, love, success, and happiness.

We love you very much,
Dad, Mom, and Coy

Congratulations Christina!

We Love You!
Mom, Dad, and Calvin

SENIORS

The journey you are about to embark on is one of adventure, success and, we hope, joy. There will be the occasional misadventure you will encounter, that will bring pain and sorrow - but hopefully those will be few and far between. Like Forrest Gump's mama told him, "Life is like a box of chocolates. You never know what you'll get." Make the most of every day and of every situation you may find yourself. May you find success all the days of your lives.

GOOD LUCK!

THE YEARBOOK STAFF

A Tribute to Brian

After years of hard work, that important day has finally come.
We'll attend the graduation for you, Brian, our special son.

There were times we doubted that you would ever make it.
You had whatever it takes not to give up and foresake it.

Now walk on that stage and hold your head up high.
We'll be watching with misty eyes and try not to cry.

You'll look so fine in cap and gown amidst all the crowd.
It'll take an effort not to stand up and shout out loud.

"That's our son, Brian. We're really so proud that he did it.
He's made us the happiest parents and we'll never forget it."

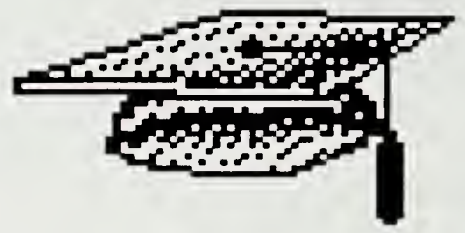
The road after high school will be tougher and harder.
Getting even more education would be great as a starter.

After that, there'll be so many more choices you can make.
Whatever you decide, stay close to home, for goodness sake.

We love you, Brian. To us you'll always be number one.
Achieving that diploma has made us so proud of you, son.

Love, Mom, Dad and Ginger

Brian's parents had this poem written especially for him by Kay Sullivan.



"WOW A SENIOR"

Wishing our favorite cheerleader,

AMANDA HAYNES

The Best of Luck, "Always".
Have a great year "Little SENIOR Varsity Girl" For five years (JV and Varsity) you have cheered the Bruins on to victory. This will truly be missed when you leave.
We have enjoyed it all just as much as you have.
Congratulations on making tthe National and Champion Cheerleaders All American Teams...
1992, 1993, and 1994.
We're so proud of you!

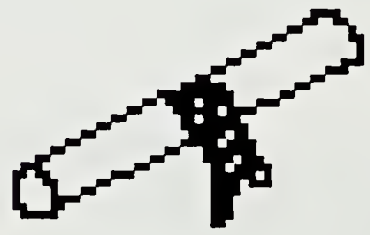
"YOU GO GIRL"



Colophon

"The Gold Shines Through" is the theme for the 1994-1995 edition of URSA MAJOR. This theme appeared in the first pages of this book, dividers, copy, and headlines. URSA MAJOR was published by Jostens Print and Publishing, and the representative was Joe Boocks.

The press run had a trim size of 9x12 with 16 flats of color. The cover was Forrest Green, with the people green and the gold glitter.

All the body copy, captions, and folio tabs were typed in Times.

Club, sports, faculty, team, and underclassmen pictures were taken by Lifetouch photographers Darryl Neson. Some special events and all of the Senior portraits were also taken by Lifetouch photographers. Sam's Club and One Hour Moto Photo developed most of our pictures.

The 1993-1994 edition of URSA MAJOR won third place in October, 1994 in Richmond, VA which was evaluated by the publications Evaluations Services of the Virginia High School League.
